Additional Instructions for mailing your package

- Ensure that there are no other tracking labels attached to your package. If you are shipping a non-hazardous item, completely remove or cover any hazardous materials markings.
- Affix the mailing label using clear plastic shipping tape over the entire label and squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Take this package to a UPS location. To find your closest UPS location, visit the UPS [Drop Off Locator](#) or go to [www.ups.com](#).

Instructions from Boolegon Official Flagship Store

- Once the product is unpacked, you will not receive a full refund, but only a partial refund, because we are a custom product and can't be sold twice after unpacking.
